U buttons upscale an image generating a larger version of the selected image and adding more details.

V1 V2 V3 V4

V buttons create slight variations of the selected grid image. Creating a variation generates a new image grid similar to the chosen image's overall style and composition.

Re-roll button

The **Re-roll button** (re-roll) reruns a Job. In this case, it would rerun the original prompt producing a new grid of images.

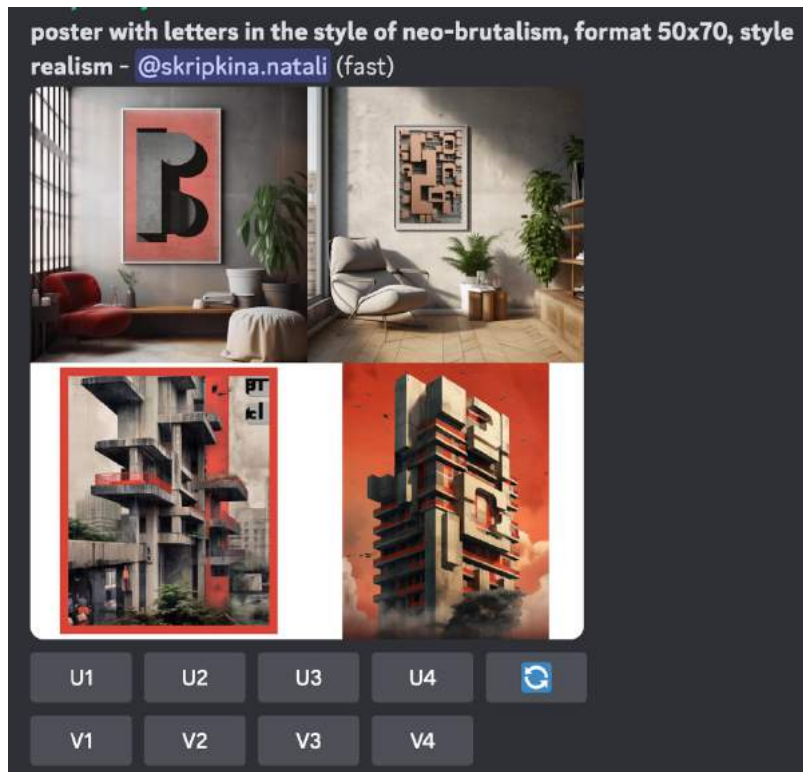

Imagine an 80's horror movie poster emerging from darkness, gradually fading into a pitch-black backdrop. The poster showcases a striking green John Deere combine tractor, exuding an aura of eerie spookiness against the predominantly black background. -
